

# Concessionaires from Travelex

**Going Beyond FX to manage all your cash requirements**

Travelex operate in over 100 international airports around the world helping your travellers receive world class foreign exchange services and improve your overall revenues for Foreign Exchange services. What you may not know is our role goes beyond foreign exchange.

We work with airport operators, retailers as well as the airlines themselves to provide a complete cash management service unparalleled by our competitors. We provide you the ability to clear foreign currency to us at wholesale rates, including value carriage and even banking and cash solutions.

## Bringing Unique Value

### Performance

- **Operational** - by leveraging our relationships with CIT firms, we are able to provide you with the possibility of amalgamation of all cash in and out of a facility.
- **Cash Management** - this can be mitigated depending on the amount of FX included in the transaction .
- **Greater Efficiencies** - For retail outlets, we can take care of cash handling leading to more efficiencies in the cash float management.
- **Customer Satisfaction** - will be increased when they have the possibility to pay in their local currency.
- **CIT Benefits** - Through consolidating your CIT requirements, you will be environmentally more efficient.

### Expertise

- **Our Retail Team** - who run the operations have extensive experience in this area.
- **Our Account Managers** - offer dedicated relationship management.
- **Our Support Team** - offer training and marketing support to help you get up to speed as quickly as possible..

### Innovation

We continually invest in compliance, technology and operations to meet our customers' needs. All whilst providing you with matched KPI reports and MI by variable factors (location, date, differing currencies).
